It was the second contest of the season for the Texans and a Jacobson team from Houston was the opponent. On the whole the Texas team played a consistent game throughout and showed more team work than it had in its normal games last Saturday night.

Dittori, center for the Longhorns started for his team in the first half accounting for a majority of the Texas points.

The most outstanding players for the pirates were their center, Kennedy, who made several good plays and guards throughout the game.

The lineup was as follows: Texas—Devine and Newman, forwards; Dittori, center; Williams, left guard; Hartigan, right guard; southwesterns—Criskeheimers and Herrera, forwards; Kennedy, center; Williams, left guard; Devine, right guard; Texas—Blaine, or Norman Southwestern—Wilkinson for Criskeheimer.

A. A. To Sanction Dirt Track Race

San Francisco, Jan. 18.—Sanctioning from the A. A. A. for two automobile races has been sought for the one-mile Handford, Calif., dirt track in 1938, according to petitions received by the California State Automobile Association. Handford has applied for a race on May 1 and a second event on July 5.

Forry E. Towns, a director of the American Automobile Association will referee both events in which nationally known racing drivers will be asked to participate.

Heavyweight boxer, who made a last round decision over champion Jack Dempsey, visited El Paso this week and remained several days on private affairs. It was not until after his arrival here a secret owing to the fact that he wanted to arrange some private affairs. It is said inquiry at hotels of the city failed to elicit information concerning the San Francisco boxer and friends state that they saw him in the city and talked
